

### **Scholarship Criteria:**

1. With the exception of the membership scholarship, applicants must be AFPGC members and employed by a 501(c)(3) nonprofit organization/registered charity with at least **50%** of the job devoted to development work.
2. Only one scholarship per person (excluding education session scholarships) will be awarded in a year. Past recipients must wait one full year before becoming eligible for another scholarship.
3. Additional criteria for specific scholarships:
  - Applicants for the AFP International Conference scholarship must never have attended an international conference as a registered participant. Preference will be given to newcomers to the field of fundraising – especially those with less than 3 years of experience.
  - Scholarship recipients for the AFP International Conference and for chapter event must submit an evaluation report about their experience following attendance at the class or conference.
  - Preference for the CFRE/ACFRE exam scholarship will be given to individuals who have already begun the application process
4. All awardees will be required to submit a report to the Scholarship Chair detailing their experience at the meeting/conference/course that may be used in AFP materials, website, or newsletter and include a photo
  - All awardees with the exception of winners of “Monthly Professional Development Programs” scholarships will be required to join a committee of their choice
5. Past AFP participation and membership can serve as a consideration in the applicant review process.
6. Applicant agrees to match funds, if necessary and applicable.
