WHAT WILL YOUR LEGACY BE?

Our vision for the future
starts with you

Without ORGANIZATION NAME, thousands of women would not have a safe place to sleep, food to eat, or a caring community to help them recover from the trauma of homelessness. There are so many more women who need our help today – and will need our help in the future – which is why our work is not yet done.

ORGANIZATION NAME has been the grateful recipient of institution changing legacy gifts to support us in our work in the years ahead. While outright gifts allow your impact to ORGANIZATION NAME to be immediate, we also welcome gifts made through a variety of planned giving options that allow for deferred giving in the future. Whether your goal is to leave a legacy for your family or create a lasting memory of the values you embrace, we invite you to consider making a planned gift to ORGANIZATION NAME.
